When Hope Feels Lost — We Pray

Join Christians across the nation for a National Hour of Prayer for Hope, Saturday, September 26, 2026, at 10:00 a.m. ET (9:00 a.m. CT) via Zoom. During Suicide Prevention Month, we will gather for prayer, Scripture, music, and encouragement as we pray for those struggling to find hope, the people who care for them, and families grieving the loss of someone they love.
